

RELATÓRIO COMPLETO DE AVALIAÇÃO DA ETIQUETAGEM AUTOMÁTICA

Categoria 33 - Agentless Passive Voice

Avaliação do GPT-5.6 Thinking - relatório integral com apêndices completos

Pesquisadora	Andressa Domingues Pedroso Russi Salaru
Programa	LAEL - Linguística Aplicada e Estudos da Linguagem, PUC-SP
Orientador	Tony Berber Sardinha
Projeto	Avaliação da etiquetagem automática do tagset de inglês
Categoria avaliada	33 - agentless passive voice
Modelo	GPT-5.6 Thinking
Data da execução oficial	5 de agosto de 2026

São Paulo
2026

Resumo executivo

Resultado principal: o modelo identificou corretamente todos os 25 casos positivos de 33 e rejeitou corretamente todos os 25 casos negativos. TP = 25, TN = 25, FP = 0 e FN = 0; precision, recall, accuracy, specificity e F1 = 100%.

O teste avaliou exclusivamente a capacidade do GPT-5.6 Thinking de detectar, em nível de sentença, a categoria 33 - agentless passive voice. A categoria abrange construções passivas sem agente especificado, como em *this was done yesterday*.

O conjunto foi construído e congelado antes da execução e contém 50 sentenças autênticas do corpus humano: 25 positivas e 25 negativas, todas com pelo menos 20 palavras. A saída oficial foi produzida em uma conversa nova, com etiquetagem item a item, e a primeira resposta completa foi preservada.

Escopo do resultado: o desempenho de 100% refere-se somente à decisão de presença ou ausência da categoria 33 neste conjunto específico. O relatório não valida automaticamente todas as demais etiquetas atribuídas pelo modelo.

Sumário do documento

- 1. Objetivo e pergunta de avaliação
- 2. Definição operacional da categoria 33
- 3. Materiais e construção do conjunto de teste
- 4. Procedimento de aplicação
- 5. Conversão da saída para YES/NO
- 6. Resultados quantitativos
- 7. Auditoria sentença por sentença
- 8. Interpretação, limitações e reprodutibilidade
- 9. Conclusão
- Apêndice A. Arquivo de teste e gabarito
- Apêndice B. Saída oficial completa do GPT
- Apêndice C. Prompt e mensagens de aplicação
- Apêndice D. Tagset utilizado

1. Objetivo e pergunta de avaliação

O objetivo foi avaliar se o GPT-5.6 Thinking identifica corretamente a categoria 33 do tagset de inglês em sentenças autênticas. A unidade de decisão foi a sentença: cada item deveria ser classificado como contendo ou não contendo pelo menos uma ocorrência correta de agentless passive voice.

Pergunta de avaliação: em um teste balanceado de 50 sentenças, qual é o desempenho do modelo na detecção da categoria 33, medido por true positives, true negatives, false positives, false negatives, precision, recall, accuracy, specificity e F1?

2. Definição operacional da categoria 33

Definição do tagset: 33. agentless passive voice: passive constructions with no specified agent; e.g., *this was done yesterday*.

Foi considerado positivo o emprego de uma construção passiva sem agente expreso. Foram consideradas negativas as passivas com agente realizado em uma by-phrase e as sentenças que não continham passiva sem agente.

Exemplo	Decisão para 33	Razão
I was attacked.	YES	passiva sem agente expreso
I was attacked by a stranger.	NO	passiva com agente em by-phrase; categoria 34

Exemplo	Decisão para 33	Razão
I attacked the stranger.	NO	voz ativa
I was excited.	NO	cópula + adjetivo predicativo no contexto do teste

3. Materiais e construção do conjunto de teste

Corpus-fonte: pasta 05_human, com 2.855 textos humanos do corpus de autoexposição sobre solidão.

Composição: 50 sentenças completas, sendo 25 positivas e 25 negativas para a categoria 33.

Extensão mínima: todas as sentenças possuem pelo menos 20 palavras.

Autenticidade: a grafia, a capitalização, a pontuação, os emojis e a gramática originais foram preservados.

Rastreabilidade: o arquivo de origem de cada sentença foi registrado antes do teste.

Ordem: positivas e negativas foram embaralhadas antes da aplicação.

Gabarito: a decisão YES/NO foi preparada antes da execução e não foi enviada ao modelo.

3.1 Composição dos casos negativos

Grupo amplo	Quantidade	Conteúdo linguístico
By-phrase passive	15	Passivas com agente expreso por by; são positivas para 34 e negativas para 33.
Não passiva / distrator	10	Voz ativa, perfeitos e progressivos ativos, cópula + adjetivo predicativo e formas não finitas sem passiva.
Total	25	Conjunto negativo balanceado e auditado em duas rodadas.

Portanto, os NOs pertencem a dois grupos amplos, mas o segundo grupo não é apenas “voz ativa”: ele reúne diferentes construções não passivas, selecionadas para impedir que o modelo responda apenas pela aparência superficial de be, -ed ou -ing.

3.2 Registro técnico da execução

Item	Registro
Modelo	GPT-5.6 Thinking
Data	5 de agosto de 2026
Tagset	English Tagset 2026-08-04; 33 = agentless passive voice; 34 = by-phrase passive voice
Arquivo de tagset	tagset_en_2026-08-04_clean_for_test_33.txt
Arquivo de teste	en_33_test_file.txt
Número de sentenças	50
Distribuição	25 YES / 25 NO

Modo de aplicação	Conversa nova; envio sequencial de instrução, tagset, teste e START TAGGING
Correções após a saída	Nenhuma
Arquivo de gabarito	en_33_answer_key.txt

4. Procedimento de aplicação

1. Foi aberta uma conversa nova com o GPT-5.6 Thinking.
2. Foi enviada uma instrução determinando etiquetagem item a item e proibindo listas agregadas de etiquetas no final da sentença.
3. O tagset de 04/08/2026 foi anexado em cópia limpa e o modelo confirmou sua leitura.
4. O arquivo en_33_test_file.txt foi anexado e o modelo confirmou ter recebido exatamente 50 itens.
5. A execução foi iniciada somente com a mensagem START TAGGING.
6. A primeira resposta completa foi preservada sem correção, negociação ou nova tentativa.
7. A comparação foi realizada exclusivamente com a etiqueta-alvo {33}.

4.1 Formato da saída

O modelo devolveu as 50 sentenças numeradas, com etiquetas entre chaves imediatamente após cada palavra ou item. Não reuniu as etiquetas ao final das sentenças e não acrescentou explicações.

A reprodução integral da saída aparece no Apêndice B. Ela é preservada como registro bruto: nenhuma etiqueta foi corrigida no apêndice.

5. Conversão da saída para YES/NO

- Presença de {33} no item correto em qualquer ponto da sentença = resposta do GPT igual a YES.
- Ausência de {33} em toda a sentença = resposta do GPT igual a NO.
- A presença de {34} não conta como {33}; ela identifica uma by-phrase passive, negativa para este teste.
- As demais etiquetas do tagset foram tratadas apenas como contexto e não entraram na pontuação.

Gabarito	GPT	Classe	Interpretação
YES	YES	TP	A categoria estava presente e foi detectada.
NO	NO	TN	A categoria estava ausente e foi rejeitada.
NO	YES	FP	A categoria estava ausente, mas foi marcada.
YES	NO	FN	A categoria estava presente, mas não foi marcada.

6. Resultados quantitativos

Gabarito / GPT	GPT = YES	GPT = NO	Total
Gabarito = YES	25	0	25
Gabarito = NO	0	25	25
Total	25	25	50

Medida	Fórmula aplicada	Resultado
True positives (TP)	-	25
True negatives (TN)	-	25
False positives (FP)	-	0
False negatives (FN)	-	0
Precision	$25 / (25 + 0)$	100.0%
Recall	$25 / (25 + 0)$	100.0%
Accuracy	$(25 + 25) / 50$	100.0%
Specificity	$25 / (25 + 0)$	100.0%
F1-score	$2 \times (\text{precision} \times \text{recall}) / (\text{precision} + \text{recall})$	100.0%

6.1 Cálculos

Precision = $TP / (TP + FP) = 25 / (25 + 0) = 1.00 = 100.0\%$

Recall = $TP / (TP + FN) = 25 / (25 + 0) = 1.00 = 100.0\%$

Accuracy = $(TP + TN) / 50 = (25 + 25) / 50 = 1.00 = 100.0\%$

Specificity = $TN / (TN + FP) = 25 / (25 + 0) = 1.00 = 100.0\%$

F1 = $2 \times (\text{Precision} \times \text{Recall}) / (\text{Precision} + \text{Recall}) = 1.00 = 100.0\%$

6.2 Resultado em linguagem direta

O GPT-5.6 Thinking encontrou todas as 25 ocorrências reais de agentless passive voice e não produziu nenhuma marcação 33 nas 25 sentenças negativas. Nas 15 passivas com agente expresso, empregou {34}, demonstrando a distinção entre as duas categorias neste conjunto.

Síntese: TP = 25; TN = 25; FP = 0; FN = 0; precision = 100%; recall = 100%; accuracy = 100%; specificity = 100%; F1 = 100%.

7. Auditoria sentença por sentença

A tabela apresenta o gabarito preparado antes da execução, a decisão derivada da primeira saída do GPT, a classificação, a forma relevante, a origem e a justificativa linguística. Como não houve divergências, os 25 casos positivos são TP e os 25 negativos são TN.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
1	YES	YES	TP	considered {33}	t1483_human.txt	24	“considered” integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: Remember how loneliness used to be considered as an 'elderly problem', but these latest numbers from various data studies show a completely different picture.
2	NO	NO	TN	sem {33}	t231_human.txt	29	Perfeito ativo e formas em -ing; não há construção passiva. Sentença: I've had alot of rejections in the last 6 months and it's sometimes tough to keep going without thinking about my past failures in asking women on a date.
3	YES	YES	TP	made {33}	t1645_human.txt	20	“made” integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: So as a kid I used to keenly observe and was made to feel so cautious of everything i do.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
4	YES	YES	TP	dumped {33}	t1041_human.txt	22	"dumped" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I've never had any friends, I've been dumped a lot, any guy I've ever liked has never show any interest in me.
5	NO	NO	TN	bullied {34}	t2345_human.txt	36	"bullied" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: I've been bullied by people in the past and it still affects me today and it's like where are the nice people who actually have feelings, integrity, and want to do good in the world? 😊
6	YES	YES	TP	treated {33}	t1130_human.txt	24	"treated" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: Loneliness is usually treated as an accident, something that happens later in life after a loss or a breakup or a change of city.
7	NO	NO	TN	sem {33}	t2027_human.txt	20	Excited e interested funcionam como adjetivos predicativos, não como eventos passivos. Sentença: I was so excited to study something I'm interested in, but now I don't even know if I can continue.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
8	YES	YES	TP	respected {33}	t1069_human.txt	35	"respected" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: At the same time, I fear that my need for closeness might overwhelm others, manipulate them, or unintentionally cross boundaries—even when I clearly communicate that it's nothing sexual and that a "no" is always respected.
9	NO	NO	TN	hated {34}	t1454_human.txt	36	"hated" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: And they have separate group chats and stuff and they have like, an echo chamber so I pretty much am just hated by a bunch of people now despite my sincerest efforts to reconcile and apologize.
10	YES	YES	TP	accepted {33}	t2487_human.txt	21	"accepted" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I see how much people on there socialize, but i always felt like i'd never be accepted there, just like irl.
11	YES	YES	TP	told {33}	t1054_human.txt	24	"told" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I figure this is not normal but I'm told everyone has suicidal thoughts and that everyone grows tired of living but push on regardless.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
12	NO	NO	TN	ignored {34}	t2723_human.txt	74	"ignored" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: Then, after I realized that this activity didn't amused me, I started going out with them more sporadically and then I stopped and proposed several times to go out in the afternoon to have a coffee or to do some shopping, just to be polite and be with them even if not in the evening, if the matter was that they wanted me so bad with them (obv this has been ignored by them).
13	NO	NO	TN	sem {33}	t1791_human.txt	21	Perfeito ativo + progressivo ativo; não há participio passivo. Sentença: I've worked on countless things to try to become a more functional human being and slowly I'm starting to see progress.
14	YES	YES	TP	schooled {33}	t006_human.txt	23	"schooled" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I've moved cities quite a lot growing up, I lived and was schooled in 4 countries and had 6 schools and 2 universities.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
15	NO	NO	TN	ignored {34}	t953_human.txt	39	"ignored" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: I have trouble making friends, and I used to go to my bf's friends' parties but decided that it is better for my mental health to stay home while he goes, bc I'm ignored by everyone but my bf.
16	NO	NO	TN	dumped {34}	t366_human.txt	38	"dumped" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: After being dumped in Ireland by an absolute disgrace of a human being and then him turning around and immediately marrying someone else, I found myself in a relationship with someone that I thought was the real deal.
17	YES	YES	TP	thrown {33}	t1265_human.txt	25	"thrown" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I grew up with the sole mindset that I am the burden, I am the discrepancy, I am trash that needs to be thrown away.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
18	YES	YES	TP	approached {33}	t2118_human.txt	28	"approached" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I feel like a loser because I've never been approached in any case, and when I finally manage to meet someone, they dump me for some other "friends".
19	YES	YES	TP	allowed {33}	t2855_human.txt	21	"allowed" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: It was the first time I was allowed out of the ward longer then a afternoon since the 2nd of December.
20	YES	YES	TP	bullied {33}	t1566_human.txt	38	"bullied" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: Furthermore, I was the butt of their jokes, I was being bullied my entire life and just living in denial, because the idea of having friends was the only thing that distracted me from my loneliness and depression.
21	YES	YES	TP	diagnosed {33}	t2791_human.txt	27	"diagnosed" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I've never been diagnosed with mental disorders before, but now my parents says I have OCD, and depression, someone on the internet said I may have ADD.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
22	YES	YES	TP	asked {33}	t1736_human.txt	50	"asked" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I also think that I've isolated myself from people because I have low self esteem and don't want to be asked about my life, or giving updates about my life 24/7, I am 21 years old and haven't really accomplished anything, it's embarrassing and makes me feel like a failure.
23	YES	YES	TP	chosen {33}	t869_human.txt	24	"chosen" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I try to laugh, I try to stay strong, but the truth is... there's a different kind of loneliness when you've *never* been chosen.
24	NO	NO	TN	sem {33}	t2271_human.txt	30	Cópula + adjetivo e progressivo ativo; não há passiva. Sentença: Yes, i know my Karma is low (i believe in Karma) due to the way i hurt people in the past, but i am working hard to change all that.
25	YES	YES	TP	offered {33}	t054_human.txt	28	"offered" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I created this one, but quickly left when I was offered a position as a mod in the other one, which now leaves this one without any mods.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
26	YES	YES	TP	appreciated {33}	t1907_human.txt	34	"appreciated" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I'm still doing my best to enjoy it, getting my favorite burger for dinner and playing some skeeball, but any tips on adding a little joy to a lonely birthday would really be appreciated.
27	YES	YES	TP	shared {33}	t1356_human.txt	33	"shared" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: They asked for my opinion and also for help figuring out whether this is a good idea and, if so, where something like this could even be shared without being spammy or inappropriate.
28	NO	NO	TN	created {34}	t1688_human.txt	44	"created" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: You can be as anonymous as you like - I actually found I like sharing more about myself to a stranger than a friend because a stranger doesn't have the expectations of me that have been created by those around me in real life.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
29	YES	YES	TP	turned {33}	t1217_human.txt	43	"turned" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: And as for me being broke as fuck I've tried getting jobs everywhere and I've been turned down, about two months ago I applied to cvs and they sent me an email last night saying how the position I chose was not available.
30	NO	NO	TN	heard {34}	t1167_human.txt	21	"heard" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: If you're feeling overwhelmed or just need to be heard by a real person, please **send me a DM or chat.**
31	NO	NO	TN	sem {33}	t2399_human.txt	26	Cópula nominal + perfeito ativo; ausência de passiva. Sentença: They may just be an online friend, and we only ever message each other, but I've known him since 2013/2014 when we were still in school.
32	NO	NO	TN	sem {33}	t872_human.txt	32	Happy é adjetivo predicativo; as demais formas são ativas ou não finitas. Sentença: For the first time, I feel like hugging someone because I'm happy after such a long time 😊, but I don't have anyone 🥺... no boyfriend, no crush, no best friend nearby.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
33	NO	NO	TN	sem {33}	t2329_human.txt	22	Perfeito ativo; uninterested é predicativo após seem, não passiva. Sentença: Recently I've tried being more social and meeting people, and some are genuinely really sweet, but my shyness makes me seem uninterested.
34	NO	NO	TN	ghosted {34}	t1054_human.txt	23	"ghosted" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: Last November I was completely ghosted by my boyfriend of 5 years when I was going through a very hard phase in life.
35	NO	NO	TN	treated {34}	t353_human.txt	52	"treated" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: I've spent 12 years being treated poorly by his friends and family and him never sticking up for me and after this last time he yelled at me for me simply talking to one of them and threw a can at me only for them to tell him he did nothing wrong.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
36	NO	NO	TN	hated {34}	t2312_human.txt	46	"hated" integra uma passiva com agente expreso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: The world sees timid men like me as ticking time bombs for mass murder or r*pe, I don't even help escape that stereotype because I also cling to fictional characters like a lifeline and am hated by almost every single person who got to know me.
37	YES	YES	TP	invited {33}	t1888_human.txt	27	"invited" integra uma passiva sem agente expreso; a etiqueta 33 foi aplicada ao item correto. Sentença: Not long ago everyone in class was invited to a gc except me and idk I think about that sometimes I wonder why people dont like me.
38	NO	NO	TN	sem {33}	t068_human.txt	59	Perfeito ativo, predicativo e gerúndio preposicional; nenhuma passiva. Sentença: I have had friends before where I am able to kinda socialise and be there but nothing that they do or talk about properly interests me, there never comes a point where I can see a better connection, so it ends up with me just basically coasting in a limbo state where I don't really enjoy being with them.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
39	NO	NO	TN	sem {33}	t1218_human.txt	28	Perfeito ativo + infinitivo copular; não há passiva. Sentença: For years I thought I just came along better with guys, but it hit me recently; they have never wanted to be my actual friend but something else.
40	YES	YES	TP	invited {33}	t1750_human.txt	29	"invited" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: I get a bit of a jealousy complex when they do because I'm not invited or don't have any plans with any of my friends for the foreseeable future.
41	NO	NO	TN	paid {34}	t1048_human.txt	23	"paid" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: I get by with around 300\$ a month, all my bills are paid for by my parents, they just let me move out.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
42	NO	NO	TN	valued {34}	t1776_human.txt	54	"valued" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: Genuineness, empathy and sincerity are barely valued by a good chunk of people I have come across in so many places here in London and workplaces are seriously cliquy to a point that I have voluntarily resigned from a few jobs as I couldn't deal with the loneliness and isolation in those places anymore.
43	NO	NO	TN	sem {33}	t2287_human.txt	21	Estruturas ativas e perfeitas ativas; nenhuma passiva. Sentença: I hear it from both sides, I've talked about it with women and male friends, some I've known for 10+ years.
44	NO	NO	TN	abandoned {34}	t2760_human.txt	30	"abandoned" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: As I grew up my mother slowly drift away from me and left me at my grandmother's house, though I was never officially abandoned by either of them by law.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
45	NO	NO	TN	shown {34}	t2483_human.txt	21	"shown" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: I am sorry mother, I am sorry 13-year old me, I wish you could have been shown love by this world.
46	YES	YES	TP	attacked {33}	t1388_human.txt	31	"attacked" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: Then in 2025 I was attacked, victim of a pickpocket attempt, caught the thief, he turned aggressive trying to fight me, so I defended myself and ended up breaking my finger.
47	YES	YES	TP	forced {33}	t2424_human.txt	26	"forced" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: Why have I been forced to learn how to be a loner and look like I'm having so much fun doing everything and going everywhere alone?
48	YES	YES	TP	rejected {33}	t1975_human.txt	20	"rejected" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: Sometimes I feel I'm better off being alone and being comfortably numb instead of opening up just to be rejected.

Nº	Gold	GPT	Classe	Forma / evidência	Origem	Palavras	Justificativa e sentença completa
49	NO	NO	TN	diagnosed {34}	t2559_human.txt	45	"diagnosed" integra uma passiva com agente expresso em by-phrase; é categoria 34 e, portanto, negativa para 33. Sentença: The only thing I want is to just get a friend (even just one), friends who are willing to accept me and support each other, I have done self-harm because I am so lonely and I was diagnosed with depression by a psychiatrist or psychologist.
50	YES	YES	TP	created {33}	t079_human.txt	44	"created" integra uma passiva sem agente expresso; a etiqueta 33 foi aplicada ao item correto. Sentença: This sub can keep existing (mostly because I'm unsure of how to delete it), but to prevent two subs existing with the exact same purpose, I ask that everyone move to r/LonelyButLoner, which is currently larger, and was created at about the same time.

8. Interpretação, limitações e reprodutibilidade

8.1 Interpretação

No conjunto avaliado, o GPT-5.6 Thinking distinguiu sem erro a passiva sem agente da passiva com agente introduzido por *by* e de construções não passivas. O acerto não decorreu apenas da presença de *be* + *particípio*, pois 15 negativas continham passivas verdadeiras, mas pertencentes à categoria 34.

Os positivos incluíram diferentes tempos, aspectos e modalidades, como *used to be considered*, *was made*, *has been dumped*, *is treated*, *would be appreciated*, *was being bullied* e *was created*.

8.2 Limitações

- O conjunto contém 50 sentenças e não representa todas as construções passivas possíveis do inglês.
- As sentenças provêm de um corpus temático e de um registro específico de autoexposição digital.
- O resultado se refere a uma execução específica do GPT-5.6 Thinking em 05/08/2026; novas execuções podem variar.
- A avaliação foi binária em nível de sentença e específica para {33}. Não foi auditada integralmente a correção de todas as outras etiquetas.
- O teste conservador priorizou passivas canônicas; *get-passives* não foram usadas como positivos centrais.
- A saída foi apresentada em Markdown, o que pode alterar apenas a visualização de alguns caracteres de escape ou ênfase.

8.3 Condições de reprodutibilidade

1. Usar o mesmo tagset de 04/08/2026, com 33 = *agentless passive voice* e 34 = *by-phrase passive voice*.
2. Usar exatamente em `_33_test_file.txt`, mantendo a ordem e o texto.
3. Aplicar o mesmo prompt em uma conversa nova com GPT-5.6 Thinking.
4. Não fornecer o gabarito ao modelo antes da execução.
5. Preservar a primeira resposta completa, sem pedir correção ou regeneração.
6. Converter somente a presença específica de {33} em YES e sua ausência em NO.

9. Conclusão

No conjunto avaliado, o GPT-5.6 Thinking apresentou desempenho perfeito na detecção da categoria 33 - *agentless passive voice*. Todos os 25 casos positivos foram identificados e todos os 25 negativos foram corretamente rejeitados. O teste resultou em TP = 25, TN = 25, FP = 0 e FN = 0, com *precision*, *recall*, *accuracy*, *specificity* e F1 iguais a 100%.

A conclusão deve ser limitada ao conjunto, ao prompt, ao tagset e à execução aqui documentados. Ela não implica desempenho perfeito em outros conjuntos nem valida automaticamente as demais etiquetas aplicadas na saída completa.

9.1 Formulação breve em inglês

On this 50-sentence test set, GPT-5.6 Thinking achieved perfect sentence-level detection of category 33, *agentless passive voice*: TP = 25, TN = 25, FP = 0, FN = 0, precision = 100%, recall = 100%, accuracy = 100%, specificity = 100%, and F1 = 100%.

Apêndice A - Arquivo de teste e gabarito

A.1 Arquivo de teste - en_33_test_file.txt

Conteúdo integral do arquivo enviado ao modelo, com 50 sentenças numeradas e embaralhadas.

1. Remember how loneliness used to be considered as an 'elderly problem', but these latest numbers from various data studies show a completely different picture.
2. I've had alot of rejections in the last 6 months and it's sometimes tough to keep going without thinking about my past failures in asking women on a date.
3. So as a kid I used to keenly observe and was made to feel so cautious of everything i do.
4. I've never had any friends, I've been dumped a lot, any guy I've ever liked has never show any interest in me.
5. I've been bullied by people in the past and it still affects me today and it's like where are the nice people who actually have feelings, integrity, and want to do good in the world? 😞
6. Loneliness is usually treated as an accident, something that happens later in life after a loss or a breakup or a change of city.
7. I was so excited to study something I'm interested in, but now I don't even know if I can continue.
8. At the same time, I fear that my need for closeness might overwhelm others, manipulate them, or unintentionally cross boundaries—even when I clearly communicate that it's nothing sexual and that a “no” is always respected.
9. And they have separate group chats and stuff and they have like, an echo chamber so I pretty much am just hated by a bunch of people now despite my sincerest efforts to reconcile and apologize.
10. I see how much people on there socialize, but i always felt like i'd never be accepted there, just like irl.
11. I figure this is not normal but I'm told everyone has suicidal thoughts and that everyone grows tired of living but push on regardless.
12. Then, after I realized that this activity didn't amused me, I started going out with them more sporadically and then I stopped and proposed several times to go out in the afternoon to have a coffee or to do some shopping, just to be polite and be with them even if not in the evening, if the matter was that they wanted me so bad with them (obv this has been ignored by them).
13. I've worked on countless things to try to become a more functional human being and slowly I'm starting to see progress.
14. I've moved cities quite a lot growing up, I lived and was schooled in 4 countries and had 6 schools and 2 universities.
15. I have trouble making friends, and I used to go to my bf's friends' parties but decided that it is better for my mental health to stay home while he goes, bc I'm ignored by everyone but my bf.
16. After being dumped in Ireland by an absolute disgrace of a human being and then him turning around and immediately marrying someone else, I found myself in a relationship with someone that I thought was the real deal.
17. I grew up with the sole mindset that I am the burden, I am the discrepancy, I am trash that needs to be thrown away.
18. I feel like a loser because I've never been approached in any case, and when I finally manage to meet someone, they dump me for some other "friends".
19. It was the first time I was allowed out of the ward longer then a afternoon since the 2nd of December.
20. Furthermore, I was the butt of their jokes, I was being bullied my entire life and just living in denial, because the idea of having friends was the only thing that distracted me from my loneliness and depression.
21. I've never been diagnosed with mental disorders before, but now my parents says I have OCD, and depression, someone on the internet said I may have ADD.
22. I also think that I've isolated myself from people because I have low self esteem and don't want to be asked about my life, or giving updates about my life 24/7, I am 21 years old and haven't really accomplished anything, it's embarrassing and makes me feel like a failure.
23. I try to laugh, I try to stay strong, but the truth is... there's a different kind of loneliness when you've *never* been chosen.
24. Yes, i know my Karma is low (i believe in Karma) due to the way i hurt people in the past, but i am working hard to change all that.
25. I created this one, but quickly left when I was offered a position as a mod in the other one, which now leaves this one without any mods.
26. I'm still doing my best to enjoy it, getting my favorite burger for dinner and playing some skeeball, but any tips on adding a little joy to a lonely birthday would really be appreciated.
27. They asked for my opinion and also for help figuring out whether this is a good idea and, if so, where something like this could even be shared without being spammy or inappropriate.
28. You can be as anonymous as you like - I actually found I like sharing more about myself to a stranger than a friend because a stranger doesn't have the expectations of me that have been created by those around me in real life.
29. And as for me being broke as fuck I've tried getting jobs everywhere and I've been turned down, about two months ago I applied to cvs and they sent me an email last night saying how the position I chose was not available.
30. If you're feeling overwhelmed or just need to be heard by a real person, please **send me a DM or chat.**
31. They may just be an online friend, and we only ever message each other, but I've known him since 2013/2014 when we were still in school.
32. For the first time, I feel like hugging someone because I'm happy after such a long time 😊, but I don't have anyone 🙄... no boyfriend, no crush, no best friend nearby.
33. Recently I've tried being more social and meeting people, and some are genuinely really sweet, but my shyness makes me seem uninterested.
34. Last November I was completely ghosted by my boyfriend of 5 years when I was going through a very hard phase in life.

35. I've spent 12 years being treated poorly by his friends and family and him never sticking up for me and after this last time he yelled at me for me simply talking to one of them and threw a can at me only for them to tell him he did nothing wrong.
36. The world sees timid men like me as ticking time bombs for mass murder or r*pe, I don't even help escape that stereotype because I also cling to fictional characters like a lifeline and am hated by almost every single person who got to know me.
37. Not long ago everyone in class was invited to a gc except me and idk I think about that sometimes I wonder why people dont like me.
38. I have had friends before where I am able to kinda socialise and be there but nothing that they do or talk about properly interests me, there never comes a point where I can see a better connection, so it ends up with me just basically coasting in a limbo state where I don't really enjoy being with them.
39. For years I thought I just came along better with guys, but it hit me recently; they have never wanted to be my actual friend but something else.
40. I get a bit of a jealousy complex when they do because I'm not invited or don't have any plans with any of my friends for the foreseeable future.
41. I get by with around 300\$ a month, all my bills are paid for by my parents, they just let me move out.
42. Genuineness, empathy and sincerity are barely valued by a good chunk of people I have come across in so many places here in London and workplaces are seriously cliquey to a point that I have voluntarily resigned from a few jobs as I couldn't deal with the loneliness and isolation in those places anymore.
43. I hear it from both sides, I've talked about it with women and male friends, some I've known for 10+ years.
44. As I grew up my mother slowly drift away from me and left me at my grandmother's house, though I was never officially abandoned by either of them by law.
45. I am sorry mother, I am sorry 13-year old me, I wish you could have been shown love by this world.
46. Then in 2025 I was attacked, victim of a pickpocket attempt, caught the thief, he turned aggressive trying to fight me, so I defended myself and ended up breaking my finger.
47. Why have I been forced to learn how to be a loner and look like I'm having so much fun doing everything and going everywhere alone?
48. Sometimes I feel I'm better off being alone and being comfortably numb instead of opening up just to be rejected.
49. The only thing I want is to just get a friend (even just one), friends who are willing to accept me and support each other, I have done self-harm because I am so lonely and I was diagnosed with depression by a psychiatrist or psychologist.
50. This sub can keep existing (mostly because I'm unsure of how to delete it), but to prevent two subs existing with the exact same purpose, I ask that everyone move to r/LonelyButLoner, which is currently larger, and was created at about the same time.

Apêndice B - Saída oficial completa do GPT

Abaixo está a saída integral, item a item, preservada conforme produzida pelo modelo e fornecida nesta conversa. Nenhuma etiqueta foi corrigida neste apêndice. A avaliação quantitativa utilizou somente a presença ou ausência da etiqueta {33} no item correto.

1. Remember {26,108,907} how {68,903} loneliness {9,10,14} used {29,30,907} to {69} be {22,108} considered {26,33,902,907} as {49,69,901} an {2} 'elderly' {35,38,905} problem {9,14}', but {47,901} these {7a,906} latest {35,38,905} numbers {9,17} from {69} various {35,40,905} data {9,16} studies {9,12} show {26,109,907} a {2} completely {42,70,915} different {35,40,905} picture {9,15}.
2. I've {3,23,31a,107,906} had {23} alot {9,17} of {69} rejections {9,10,12} in {69} the {1} last {35,38,905} 6 months {9,17} and {46,901} it's {6,22,107,109,906} sometimes {42,43} tough {36,39,905} to {69} keep {29,108,907} going {24,112,907} without {69} thinking {26,80,112,907} about {69} my {3,906} past {35,38,905} failures {9,12,14} in {69} asking {25,82,112,907} women {9,11} on {69} a {2} date {9,17}.
3. So {45,110,901} as {49,69,901} a {2} kid {9,11} I {3,906} used {29,30,907} to {69} keenly {42} observe {26,108,907} and {46,901} was {22,30} made {27,33,902,907} to {69} feel {26,80,108,907} so {42,70,915} cautious {36,39,905} of {69} everything {8,906} i {3,906} do {83,109}.
4. I've {3,23,31a,107,906} never {42,43} had {23} any {8,906} friends {9,11}, I've {3,23,31a,107,906} been {22} dumped {24,33,902,907} a {2} lot {9,17}, any {8,906} guy {9,11} I've {3,23,31a,107,906} ever {42,43} liked {26,80,907} has {23,31a} never {42,43} show {26,907} any {8,906} interest {9,13,14} in {69} me {3,906}.
5. I've {3,23,31a,107,906} been {22} bullied {24,34,902,907} by {69} people {9,11} in {69} the {1} past {9,14} and {46,901} it {6,906} still {42,43} affects {27,109,907} me {3,906} today {42,43} and {46,901} it's {6,22,107,109,906} like {49,901} where {67,903} are {22,109} the {1} nice {35,39,905} people {9,11} who {102,904} actually {42,76} have {23,109} feelings {9,14}, integrity {9,10,14}, and {46,901} want {26,60,109,907,912,914} to {69} do {83,108} good {9,14} in {69} the {1} world {9,15}?
6. Loneliness {9,10,14} is {22,109} usually {42} treated {24,33,902,907} as {49,69,901} an {2} accident {9,12}, something {8,906} that {66,102,904} happens {79,109,907} later {42,43} in {69} life {9,14} after {69} a {2} loss {9,12,14} or {46,901} a {2} breakup {9,12,14} or {46,901} a {2} change {9,12} of {69} city {9,15}.
7. I {3,906} was {22,30} so {42,70,915} excited {36,39,905} to {69} study {24,108,907} something {8,906} I'm {3,22,107,109,906} interested {36,39,905} in {69,104}, but {47,901} now {42,43,110} I {3,906} don't {83,107,109} even {42} know {26,50,80,94,106,109,907,908,911} if {48,901} I {3,906} can {19,900} continue {29,907}.
8. At {69} the {1} same {35,40,905} time {9,17}, I {3,906} fear {26,80,93,94,109,907,908,911} that {49,901} my {3,906} need {9,14} for {69} closeness {9,10,14} might {19,900} overwhelm {27,907} others {8,906}, manipulate {27,907} them {5,906}, or {46,901} unintentionally {42} cross {24,907} boundaries {9,14}-even {42} when {49,901} I {3,906} clearly {42} communicate {25,109,907} that {49,901} it's {6,22,107,109,906} nothing {8,906} sexual {36,41,905} and {46,901} that {49,901} a {2} "no" {9,14} is {22,109} always {42,43} respected {33,902}.
9. And {46,901} they {5,906} have {23,109} separate {35,40,905} group {35,18,905} chats {9,16} and {46,901} stuff {9,15} and {46,901} they {5,906} have {23,109} like {42,77}, an {2} echo {35,16,905} chamber {9,15} so {49,901} I {3,906} pretty {42,71} much {42,71} am {22,109} just {42,76} hated {26,34,902,907} by {69} a {2} bunch {9,17} of {69} people {9,11} now {42,43} despite {69} my {3,906} sincerest {35,39,905} efforts {9,12,14} to {69} reconcile {25,108,907} and {46,901} apologize {25,108,907}.
10. I {3,906} see {26,80,109,907} how {68,903} much {42} people {9,11} on {69} there {42,78} socialize {24,109,907}, but {47,901} i {3,906} always {42,43} felt {26,30,80,907} like {49,901} i'd {3,20,107,906} never {42,43} be {22,108} accepted {27,33,902,907} there {42,78}, just {42,76} like {49,901} irl {42}.
11. I {3,906} figure {26,50,80,94,106,109,907,908,911} this {7b,906} is {22,109} not normal {36,40,905} but {47,901} I'm {3,22,107,109,906} told {25,33,81,902,907} everyone {8,906} has {23,109} suicidal {35,41,905} thoughts {9,13} and {46,901} that {49,901} everyone {8,906} grows {29,109,907} tired {36,39,905} of {69} living {24,112,907} but {47,901} push {24,109,907} on {69} regardless {42}.
12. Then {42,43}, after {49,69,901} I {3,906} realized {26,30,907} that {49,901} this {7a,906} activity {9,10,12} didn't {30,83,107} amused {26,907} me {3,906}, I {3,906} started {29,30,907} going {24,112,907} out {42,78} with {69} them {5,906} more {42} sporadically {42} and {46,901} then {42,43} I {3,906} stopped {29,30,907} and {46,901} proposed {25,30,907} several {35,17,905} times {9,17} to {69} go {24,108,907} out {42,78} in {69} the {1} afternoon {9,17} to {69} have {23,108} a {2} coffee {9,15} or {46,901} to {69} do {83,108} some {8,906} shopping {9,12}, just {42,76} to {69} be {22,108} polite {36,39,905} and {46,901} be {22,108} with {69} them {5,906} even {42} if {48,901} not in {69} the {1} evening {9,17}, if {48,901} the {1} matter {9,14} was {22,30} that {49,901} they {5,906} wanted {26,30,60,907,912,914} me {3,906} so {42,70,915} bad {42} with {69} them {5,906} (obv {42,44} this {7b,906} has {23,31a} been {22} ignored {26,34,902,907} by {69} them {5,906}).
13. I've {3,23,31a,107,906} worked {24,907} on {69} countless {35,17,905} things {9,15} to {69} try {24,61,108,907,912,914} to {69} become {28,108,907} a {2} more {42} functional {35,40,905} human {35,41,905} being {9,11} and {46,901} slowly {42} I'm {3,22,32,107,109,906} starting {29,907} to {69} see {26,108,907} progress {9,12}.
14. I've {3,23,31a,107,906} moved {24,907} cities {9,15} quite {42,71} a {2} lot {9,17} growing {29,112,907} up {42,78}, I {3,906} lived {24,30,907} and {46,901} was {22,30} schooled {24,33,902,907} in {69} 4 countries {9,18} and {46,901} had {23,30} 6 schools {9,18} and {46,901} 2 universities {9,18}.
15. I {3,906} have {23,109} trouble {9,14} making {24,112,907} friends {9,11}, and {46,901} I {3,906} used {29,30,907} to {69} go {24,108,907} to {69} my {3,906} bf's {9,11} friends' {9,11} parties {9,18} but {47,901} decided {26,30,60,907,912,914} that {49,901} it {6,906} is {22,109} better {36,39,905} for {69} my {3,906} mental {35,41,905} health {9,14} to {69} stay {24,108,907} home {42,78} while {49,901} he {5,906} goes {24,109,907}, bc {49,111,901} I'm {3,22,107,109,906} ignored {26,34,902,907} by {69} everyone {8,906} but {69} my {3,906} bf {9,11}.
16. After {69} being {22} dumped {24,34,902,907} in {69} Ireland {9,15} by {69} an {2} absolute {35,39,905} disgrace {9,14} of {69} a {2} human {35,41,905} being {9,11} and {46,901} then {42,43} him {5,906} turning {24,112,907} around {42,78} and {46,901} immediately {42,43} marrying {24,112,907} someone {8,906} else {42}, I {3,906} found {26,30,80,907} myself {3,906} in {69} a {2} relationship {9,10,14} with {69} someone {8,906} that {66,101,904} I {3,906} thought {26,30,50,80,94,106,907,908,911} was {22,30} the {1} real {35,40,905} deal {9,14}.
17. I {3,906} grew {29,30,907} up {42,78} with {69} the {1} sole {35,40,905} mindset {9,13} that {49,901} I {3,906} am {22,109} the {1} burden {9,14}, I {3,906} am {22,109} the {1} discrepancy {9,10,14}, I {3,906} am {22,109} trash {9,15} that {66,102,904} needs {27,109,907} to {69} be {22,108} thrown {24,33,902,907} away {42,78}.
18. I {3,906} feel {26,80,109,907} like {49,901} a {2} loser {9,11} because {49,111,901} I've {3,23,31a,107,906} never {42,43} been {22} approached {24,33,902,907} in {69} any {8,906} case {9,14}, and {46,901} when {49,901} I {3,906} finally {42,43} manage {27,61,109,907,912,914} to {69} meet {24,108,907} someone {8,906}, they {5,906} dump {24,109,907} me {3,906} for {69} some {8,906} other {35,40,905} "friends" {9,11}.
19. It {6,906} was {22,30} the {1} first {35,38,905} time {9,17} I {3,906} was {22,30} allowed {27,33,902,907} out {42,78} of {69} the {1} ward {9,18} longer {42} then {49,901} a {2} afternoon {9,17} since {49,69,901} the {1} 2nd of {69} December {9,17}.
20. Furthermore {45,901}, I {3,906} was {22,30} the {1} butt {9,15} of {69} their {5,906} jokes {9,14}, I {3,906} was {22,30} being {22,32} bullied {24,33,902,907} my {3,906} entire {35,40,905} life {9,14} and {46,901} just {42,76} living {24,112,907} in {69} denial {9,10,14}, because {49,111,901} the {1} idea {9,13} of {69} having {23,112} friends {9,11} was {22,30} the {1} only {35,40,905} thing {9,15} that {66,102,904} distracted {27,30,907} me {3,906} from {69} my {3,906} loneliness {9,10,14} and {46,901} depression {9,10,14}.
21. I've {3,23,31a,107,906} never {42,43} been {22} diagnosed {26,33,902,907} with {69} mental {35,41,905} disorders {9,14} before {42,43}, but {47,901} now {42,43} my {3,906} parents {9,11} says {25,81,109,907} I {3,906} have {23,109} OCD {9,16}, and {46,901} depression {9,10,14}, someone {8,906} on {69} the {1} internet {9,16} said {25,30,50,81,106,907,908,911} I {3,906} may {19,900} have {23} ADD {9,16}.
22. I {3,906} also {42} think {26,80,94,109,907,908,911} that {49,901} I've {3,23,31a,107,906} isolated {24,907} myself {3,906} from {69} people {9,11} because {49,111,901} I {3,906} have {23,109} low {35,39,905} self {35,14,905} esteem {9,14} and {46,901} don't {83,107,109} want {26,60,80,109,907,912,914} to {69} be {22,108} asked {25,33,82,902,907} about

{69} my {3,906} life {9,14}, or {46,901} giving {25,112,907} updates {9,16} about {69} my {3,906} life {9,14} 24/7, I {3,906} am {22,109} 21 years {9,17} old {36,38,905} and {46,901} haven't {23,31a,107} really {42,76} accomplished {24,907} anything {8,906}, it's {6,22,107,109,906} embarrassing {36,39,905} and {46,901} makes {27,109,907} me {3,906} feel {26,80,108,907} like {49,901} a {2} failure {9,12,14}.

23. I {3,906} try {24,109,907} to {69} laugh {24,108,907}, I {3,906} try {24,109,907} to {69} stay {24,108,907} strong {36,37,39,905}, but {47,901} the {1} truth {9,14} is {22,109}... there's {22,107,109} a {2} different {35,40,905} kind {9,14} of {69} loneliness {9,10,14} when {49,901} you've {4,23,31a,107,906} *never* been {22} chosen {26,33,902,907}.

24. Yes {110}, i {3,906} know {26,51,80,94,109,907,908,911} my {3,906} Karma {9,14} is {22,109} low {36,39,905} (i {3,906} believe {26,80,109,907} in {69} Karma {9,14}) due {36,40,905} to {69} the {1} way {9,14} i {3,906} hurt {27,30,907} people {9,11} in {69} the {1} past {9,14}, but {47,901} i {3,906} am {22,32,109} working {24,907} hard {42} to {69} change {27,108,907} all {8,906} that {7b,906}.

25. I {3,906} created {24,30,907} this {7b,906} one {8,906}, but {47,901} quickly {42} left {24,30,907} when {49,901} I {3,906} was {22,30} offered {25,33,82,902,907} a {2} position {9,10,14} as {49,69,901} a {2} mod {9,11} in {69} the {1} other {35,40,905} one {8,906}, which {102,904} now {42,43} leaves {27,109,907} this {7b,906} one {8,906} without {69} any {8,906} mods {9,11}.

26. I'm {3,22,107,109,906} still {42,43} doing {83,32} my {3,906} best {9,14} to {69} enjoy {26,60,80,108,907,912,914} it {6,906}, getting {24,112,907} my {3,906} favorite {35,39,905} burger {9,15} for {69} dinner {9,15} and {46,901} playing {24,112,907} some {8,906} skeeball {9,15}, but {47,901} any {8,906} tips {9,13} on {69} adding {27,112,907} a {2} little {35,37,905} joy {9,14} to {69} a {2} lonely {35,39,905} birthday {9,17} would {20,900} really {42,76} be {22} appreciated {26,33,902,907}.

27. They {5,906} asked {25,30,59,82,907,912,914} for {69} my {3,906} opinion {9,10,13} and {46,901} also {42} for {69} help {9,14} figuring {26,88,112,907} out {42,78} whether {68,903} this {7b,906} is {22,109} a {2} good {35,39,905} idea {9,13} and {46,901}, if {48,901} so {7b,906}, where {68,903} something {8,906} like {69} this {7b,906} could {19,900} even {42} be {22} shared {25,33,902,907} without {69} being {22} spammy {36,39,905} or {46,901} inappropriate {36,39,905}.

28. You {4,906} can {19,900} be {22} as {49,901} anonymous {36,40,905} as {49,901} you {4,906} like {26,80,109,907} - I {3,906} actually {42,76} found {26,30,50,80,106,907} I {3,906} like {26,80,109,907} sharing {25,112,907} more {42} about {69} myself {3,906} to {69} a {2} stranger {9,11} than {49,901} a {2} friend {9,11} because {49,111,901} a {2} stranger {9,11} doesn't {83,107,109} have {23} the {1} expectations {9,10,14} of {69} me {3,906} that {66,102,905} have {23,31a} been {22} created {27,34,902,907} by {69} those {7b,906} around {69} me {3,906} in {69} real {35,40,905} life {9,14}.

29. And {46,901} as {49,69,901} for {69} me {3,906} being {22} broke {36,39,905} as {49,901} fuck {9,14} I've {3,23,31a,107,906} tried {24,60,907,912,914} getting {24,112,907} jobs {9,14} everywhere {42,78} and {46,901} I've {3,23,31a,107,906} been {22} turned {24,33,89,902,907} down {42,78}, about {69} two {35,17,905} months {9,17} ago {42,43} I {3,906} applied {25,30,907} to {69} cvs {9,18} and {46,901} they {5,906} sent {25,30,907} me {3,906} an {2} email {9,16} last {35,38,905} night {9,17} saying {25,112,907} how {68,903} the {1} position {9,10,14} I {3,906} chose {26,30,907} was {22,30} not available {36,40,905}.

30. If {48,901} you're {4,22,107,109,906} feeling {26,32,80,907} overwhelmed {36,39,905} or {46,901} just {42,76} need {26,109,907} to {69} be {22,108} heard {25,34,81,902,907} by {69} a {2} real {35,40,905} person {9,11}, please {42,110} **send {25,82,109,907} me {3,906} a {2} DM {9,16} or {46,901} chat {9,16}.

31. They {5,906} may {19,900} just {42,76} be {22} an {2} online {35,41,905} friend {9,11}, and {46,901} we {3,906} only {42} ever {42,43} message {25,109,907} each {8,906} other {8,906}, but {47,901} I've {3,23,31a,107,906} known {26,80,907} him {5,906} since {49,69,901} 2013/2014 when {49,901} we {3,906} were {22,30} still {42,43} in {69} school {9,18}.

32. For {69} the {1} first {35,38,905} time {9,17}, I {3,906} feel {26,80,109,907} like {49,901} hugging {24,112,907} someone {8,906} because {49,111,901} I'm {3,22,107,109,906} happy {36,39,905} after {69} such {35,40,905} a {2} long {35,37,905} time {9,17} 😊, but {47,901} I {3,906} don't {83,107,109} have {23} anyone {8,906} 😞... no {35,905} boyfriend {9,11}, no {35,905} crush {9,11}, no {35,905} best {35,39,905} friend {9,11} nearby {42,78}.

33. Recently {42,43} I've {3,23,31a,107,906} tried {24,60,907,912,914} being {22} more {42} social {36,41,905} and {46,901} meeting {24,112,907} people {9,11}, and {46,901} some {8,906} are {22,109} genuinely {42} really {42,76} sweet {36,39,905}, but {47,901} my {3,906} shyness {9,10,14} makes {27,109,907} me {3,906} seem {28,62,108,907,912,914} uninterested {36,39,905}.

34. Last {35,38,905} November {9,17} I {3,906} was {22,30} completely {42,70,915} ghosted {25,34,902,907} by {69} my {3,906} boyfriend {9,11} of {69} 5 years {9,17} when {49,901} I {3,906} was {22,30} going {24,32,907} through {69} a {2} very {42,70,915} hard {35,39,905} phase {9,17} in {69} life {9,14}.

35. I've {3,23,31a,107,906} spent {24,907} 12 years {9,17} being {22} treated {24,34,902,907} poorly {42} by {69} his {5,906} friends {9,11} and {46,901} family {9,18} and {46,901} him {5,906} never {42,43} sticking {24,112,907} up {42,78} for {69} me {3,906} and {46,901} after {69} this {7a,906} last {35,38,905} time {9,17} he {5,906} yelled {25,30,907} at {69} me {3,906} for {69} me {3,906} simply {42} talking {25,112,907} to {69} one {8,906} of {69} them {5,906} and {46,901} threw {24,30,907} a {2} can {9,15} at {69} me {3,906} only {42} for {69} them {5,906} to {69} tell {25,59,82,108,907,912,914} him {5,906} he {5,906} did {30,83} nothing {8,906} wrong {36,39,905}.

36. The {1} world {9,15} sees {26,80,109,907} timid {35,39,905} men {9,11} like {69} me {3,906} as {49,69,901} ticking {35,12,905} time {35,17,905} bombs {9,15} for {69} mass {35,41,905} murder {9,14} or {46,901} r*pe {9,14}, I {3,906} don't {83,107,109} even {42} help {27,109,907} escape {24,108,907} that {7a,906} stereotype {9,13} because {49,111,901} I {3,906} also {42} cling {24,109,907} to {69} fictional {35,41,905} characters {9,11} like {69} a {2} lifeline {9,15} and {46,901} am {22,109} hated {26,34,902,907} by {69} almost {42,71} every {35,17,905} single {35,17,905} person {9,11} who {102,904} got {24,30,907} to {69} know {26,108,907} me {3,906}.

37. Not long ago {42,43} everyone {8,906} in {69} class {9,18} was {22,30} invited {25,33,82,902,907} to {69} a {2} gc {9,16} except {49,69,901} me {3,906} and {46,901} idk {26,80,109,907} I {3,906} think {26,50,80,94,106,109,907,908,911} about {69} that {7b,906} sometimes {42,43} I {3,906} wonder {26,80,109,907} why {68,903} people {9,11} dont {83,107,109} like {26,80,907} me {3,906}.

38. I {3,906} have {23,31a} had {23} friends {9,11} before {42,43} where {68,903} I {3,906} am {22,109} able {36,97,905,913,914} to {69} kinda {42,77} socialise {24,108,907} and {46,901} be {22,108} there {42,78} but {47,901} nothing {8,906} that {66,101,904} they {5,906} do {83,109} or {46,901} talk {25,109,907} about {69,104} properly {42} interests {27,109,907} me {3,906}, there {42,78} never {42,43} comes {79,109,907} a {2} point {9,14} where {68,903} I {3,906} can {19,900} see {26,80,907} a {2} better {35,39,905} connection {9,10,14}, so {45,901} it {6,906} ends {29,89,109,907} up {42,78} with {69} me {3,906} just {42,76} basically {42} coasting {24,112,907} in {69} a {2} limbo {35,14,905} state {9,14} where {68,903} I {3,906} don't {83,107,109} really {42,76} enjoy {26,80,109,907} being {22} with {69} them {5,906}.

39. For {69} years {9,17} I {3,906} thought {26,30,50,80,94,106,907,908,911} I {3,906} just {42,76} came {24,30,84,907} along {42,78} better {42} with {69} guys {9,11}, but {47,901} it {6,906} hit {27,30,907} me {3,906} recently {42,43}; they {5,906} have {23,31a} never {42,43} wanted {26,60,907,912,914} to {69} be {22,108} my {3,906} actual {35,40,905} friend {9,11} but {47,901} something {8,906} else {42}.

40. I {3,906} get {24,109,907} a {2} bit {9,17} of {69} a {2} jealousy {35,14,905} complex {9,13} when {49,901} they {5,906} do {83,109} because {49,111,901} I'm {3,22,107,109,906} not invited {25,33,82,902,907} or {46,901} don't {83,107,109} have {23} any {8,906} plans {9,13} with {69} any {8,906} of {69} my {3,906} friends {9,11} for {69} the {1} foreseeable {35,38,905} future {9,17}.

41. I {3,906} get {24,84,109,907} by {42,78} with {69} around {69} 300\$ a {2} month {9,17}, all {8,906} my {3,906} bills {9,14} are {22,109} paid {24,34,902,907} for {69} by {69} my {3,906} parents {9,11}, they {5,906} just {42,76} let {27,30,907} me {3,906} move {24,108,907} out {42,78}.

42. Genuineness {9,10,14}, empathy {9,14} and {46,901} sincerity {9,10,14} are {22,109} barely {42,71} valued {26,34,902,907} by {69} a {2} good {35,39,905} chunk {9,17} of {69} people {9,11} I {3,906} have {23,31a} come {24,84,907} across {69} in {69} so {42,70,915} many {35,17,905} places {9,15} here {42,78} in {69} London {9,15} and {46,901} workplaces {9,18} are {22,109} seriously {42} cliquy {36,39,905} to {69} a {2} point {9,14} that {66,101,904} I {3,906} have {23,31a} voluntarily {42} resigned {24,907} from {69} a {2} few {35,17,905} jobs {9,14} as {49,111,901} I {3,906} couldn't {19,107,900} deal {24,907} with {69} the {1} loneliness {9,10,14} and {46,901} isolation {9,10,14} in {69} those {7a,906} places {9,15} anymore {42,43}.

43. I {3,906} hear {26,80,109,907} it {6,906} from {69} both {8,906} sides {9,15}, I've {3,23,31a,107,906} talked {25,907} about {69} it {6,906} with {69} women {9,11} and {46,901} male {35,41,905} friends {9,11}, some {8,906} I've {3,23,31a,107,906} known {26,80,907} for {69} 10+ years {9,17}.

44. As {49,111,901} I {3,906} grew {29,30,907} up {42,78} my {3,906} mother {9,11} slowly {42} drift {24,907} away {42,78} from {69} me {3,906} and {46,901} left {24,30,907} me {3,906} at {69} my {3,906} grandmother's {9,11} house {9,15}, though {49,901} I {3,906} was {22,30} never {42,43} officially {42} abandoned {24,34,902,907} by {69} either {8,906} of {69} them {5,906} by {69} law {9,14}.
45. I {3,906} am {22,109} sorry {36,39,905} mother {9,11}, I {3,906} am {22,109} sorry {36,39,905} 13-year {35,38,905} old {35,38,905} me {3,906}, I {3,906} wish {26,80,50,106,109,907} you {4,906} could {19,900} have {23,31a} been {22} shown {25,34,902,907} love {9,14} by {69} this {7a,906} world {9,15}.
46. Then {42,43} in {69} 2025 I {3,906} was {22,30} attacked {24,33,902,907}, victim {9,11} of {69} a {2} pickpocket {35,11,905} attempt {9,12}, caught {24,30,907} the {1} thief {9,11}, he {5,906} turned {28,30,89,907} aggressive {36,39,905} trying {24,61,112,907,912,914} to {69} fight {24,108,907} me {3,906}, so {45,901} I {3,906} defended {24,30,907} myself {3,906} and {46,901} ended {29,30,89,907} up {42,78} breaking {24,112,907} my {3,906} finger {9,15}.
47. Why {67,903} have {23,31a} I {3,906} been {22} forced {27,33,902,907} to {69} learn {26,61,108,907,912,914} how {68,903} to {69} be {22,108} a {2} loner {9,11} and {46,901} look {26,109,907} like {49,901} I'm {3,22,32,107,109,906} having {23} so {42,70,915} much {42} fun {9,14} doing {83,112} everything {8,906} and {46,901} going {24,112,907} everywhere {42,78} alone {36,39,905}?
48. Sometimes {42,43} I {3,906} feel {26,80,109,907} I'm {3,22,107,109,906} better {36,39,905} off {42,78} being {22} alone {36,39,905} and {46,901} being {22} comfortably {42} numb {36,39,905} instead {42} of {69} opening {24,112,907} up {42,78} just {42,76} to {69} be {22,108} rejected {27,33,902,907}.
49. The {1} only {35,40,905} thing {9,15} I {3,906} want {26,60,109,907,912,914} is {22,109} to {69} just {42,76} get {24,108,907} a {2} friend {9,11} (even {42} just {42,76} one {8,906}), friends {9,11} who {102,904} are {22,109} willing {36,97,905,913,914} to {69} accept {27,108,907} me {3,906} and {46,901} support {27,108,907} each {8,906} other {8,906}, I {3,906} have {23,31a} done {83} self-harm {9,14} because {49,111,901} I {3,906} am {22,109} so {42,70,915} lonely {36,39,905} and {46,901} I {3,906} was {22,30} diagnosed {26,34,902,907} with {69} depression {9,10,14} by {69} a {2} psychiatrist {9,11} or {46,901} psychologist {9,11}.
50. This {7a,906} sub {9,18} can {19,900} keep {29,907} existing {28,112,907} (mostly {42} because {49,111,901} I'm {3,22,107,109,906} unsure {36,54,905,909,911} of {69} how {68,903} to {69} delete {24,108,907} it {6,906}), but {47,901} to {69} prevent {27,114,907} two {35,17,905} subs {9,18} existing {28,112,907} with {69} the {1} exact {35,40,905} same {35,40,905} purpose {9,14}, I {3,906} ask {25,59,82,109,907,912,914} that {49,901} everyone {8,906} move {24,109,907} to {69} r/LonelyButLoner {9,18}, which {102,904} is {22,109} currently {42,43} larger {36,37,905}, and {46,901} was {22,30} created {24,33,902,907} at {69} about {69} the {1} same {35,40,905} time {9,17}.

Apêndice C - Prompt e mensagens de aplicação

As mensagens abaixo registram o protocolo de envio usado para impedir análise antecipada e exigir etiquetagem palavra por palavra.

C.1 Instrução inicial

You will act as an automatic English language-feature tagger.

I will send you:

1. the official English tagset;
2. a numbered test file containing exactly 50 sentences.

Do not tag, classify, correct, or analyze anything until I write: START TAGGING.

When tagging begins, follow these formatting rules exactly:

1. Preserve the original sentence numbering, wording, spelling, capitalization, and punctuation.
2. Apply the complete tagset exactly as provided.
3. Place every applicable tag immediately after the individual word or item to which it applies, in braces.
4. Do not collect the tags for the whole sentence in a single set of braces at the end.
5. Return only the 50 fully tagged sentences.
6. Do not explain the tags, correct the sentences, summarize the text, or discuss your decisions.

Wait for the official tagset, the numbered test file, and START TAGGING.

C.2 Mensagem de envio do tagset

This is the official English tagset currently adopted for the test, dated 2026-08-04. Read and retain the complete tagset exactly as provided, including category 33: agentless passive voice.

Do not tag, classify, correct, or analyze anything yet. Wait for the numbered test file and START TAGGING.

C.3 Mensagem de envio do arquivo de teste

This is the numbered test file for category 33: agentless passive voice.

Read and retain all 50 sentences exactly as provided, but do not tag, classify, correct, or analyze them yet.

Confirm that you received exactly 50 numbered sentences and wait for START TAGGING.

C.4 Comando de início

START TAGGING

O modelo confirmou as etapas antes da execução. As confirmações intermediárias não foram usadas na avaliação; apenas a primeira saída completa após START TAGGING foi pontuada.

Apêndice D - Tagset utilizado

Conteúdo integral da cópia limpa do tagset de 04/08/2026 enviada ao modelo. A seção D explicita 33 = agentless passive voice e 34 = by-pharse passive voice.

OFFICIAL ENGLISH TAGSET – CLEAN COPY FOR TESTING

Version adopted for this test: 2026-08-04

Current test mapping: Category 33 = agentless passive voice; Category 34 = by-pharse passive voice.

Formatting normalized from the supplied copy. Definitions otherwise preserved.

Language Features

A. Articles

definite article: the

indefinite article: a

B. Nouns and Pronouns

1st person pronouns e.g., I, we

2nd person pronouns e.g., you

3rd person pronouns e.g., he, she, they

pronoun 'it' all instances of 'it'

7a. demonstrative determiners: this (e.g. this idea is good.), that, these, those

7b. demonstrative pronouns: this (e.g. I'll do this.); these, that, those

nominal pronouns e.g., somebody, anyone

all nouns: all words identified as nouns by automatic tagger

nominalizations e.g., interaction, communication

animate nouns e.g., adult, applicant, child, immigrant, patient

process nouns e.g., achievement, comparison, effect, formation

cognition nouns e.g., ability, decision, concept, idea, knowledge

other abstract nouns e.g., advantage, background, culture, model

concrete nouns e.g., acid, brain, camera, computer, glacier

technical nouns e.g., atom, cell, compound, equation, message, energy

quantity nouns e.g., amount, century, frequency, percentage

group nouns e.g., church, committee, government, institute

C. Verbs

possibility, permission and ability modals: can, could, may, might

prediction modals: will, would, shall, be going to

necessity and obligation modals: must, should, had better, have to, got to, ought to

verb have: all forms of verb have

activity verbs e.g., bring, combine, encounter, obtain, produce

communication verbs e.g., acknowledge, answer, claim, discuss

mental verbs e.g., confirm, find, identify, observe, predict, think

causative verbs e.g., affect, allow, help, influence, require

existence verbs e.g., appear, define, illustrate, indicate, reflect

aspectual verbs e.g., begin, complete, continue, keep, start

D. The Verb Phrase

simple past tense e.g., they claimed, she concluded, he found, I reported

31a. present perfect tense e.g., they have known, they have seen, it has shown

31b. past perfect tense e.g., they had shown, they had seen, it had shown

present continuous e.g., it is becoming, they are causing, we are seeking

progressive aspect e.g., is becoming, is causing, are seeking

33. agentless passive voice: passive constructions with no specified agent; e.g., this was done yesterday

34. by-pharse passive voice: passive constructions with agent in a by-pharse; e.g., this was done by Mary yesterday

E. Adjectives

all attributive adjectives: all adjectives occurring as a noun pre-modifier

all predicative adjectives: all adjectives occurring in post-predicate position

size adjectives e.g., big, great, large, small

time adjectives e.g., new, young, old

evaluative adjectives e.g., best, good, important

relational adjectives e.g., basic, common, different, major, similar

topical adjectives e.g., economic, human, international, public

41b. color adjectives e.g., green, yellow, blue, black

F. Adverbs

general adverbs

time adverbs e.g., again, later, now

stance adverbs e.g., obviously, evidently, frankly, surprisingly

G. Coordination and Subordination

adverbial conjuncts e.g., however, therefore, thus, including, for example, e.g.

clausal coordinating conjunctions e.g., and, or

phrasal coordinating conjunctions e.g., but

conditional subordinating conjunctions e.g., if, unless

subordinating conjunctions (other) e.g., as, except

that deletion e.g. I think they are..., it's probable they will...

H. Clauses Marking Stance

that-clause controlled by factive (certainty) verb e.g., demonstrate that..., conclude that...

that-clause controlled by likelihood verb e.g., appear that..., estimate that..., seem to..., suppose that..., suggest that...

that-clause controlled by factive (certainty) adjective e.g., it is certain that..., it is clear that...

that-clause controlled by likelihood adjective e.g., it is possible that..., it is probable that...

that-clause controlled by attitudinal adjective e.g., I'm afraid that..., They must be aware that..., You're surprised that...

that-clause controlled by factive (certainty) noun e.g., the fact that..., the conclusion that..., the observation that...
that-clause controlled by likelihood noun e.g., the assumption that..., the belief that..., the hypothesis that...
that-clause controlled by attitudinal noun e.g., the hope that..., the fear that..., the view that...
to-clause controlled by speech verb e.g., ask to..., claim to..., show how to...
to-clause controlled by verb of desire e.g., agree to..., hope to..., intend to..., prefer to...
to-clause controlled by verb of causality/modality e.g., attempt to..., help to..., permit to..., require to...
to-clause controlled by verb of probability e.g., appear to..., seem to..., tend to...
all to-clauses controlled by stance adjectives e.g., it is certain to..., it is worried to..., it is appropriate to..., it is difficult to..., it is easy to...
all to-clauses controlled by stance nouns e.g., the claim to..., the possibility to..., the assumption to..., the fact to...

I. Post-Nominal Modifiers
passive postnominal modifier: non-finite -ed clause postmodifying a noun eg: the method used in the experiment
that relative clause relative clause with that as relative pronoun: eg the house that..., the person that ...

J. Other
wh-questions all clauses tagged as wh-questions eg: who would say...?
wh-clauses all clauses with wh-complementizer eg: I know what he did; What he said surprised everyone; We are interested in how the process works
all prepositions: with, to, in, at, for, including, ...

K. Adverbs and adverbials
amplifr = amplifier adverbs, e.g. absolutely, entirely, completely
downtone = downtoner adverbs, e.g. nearly, slightly, somewhat, almost
atadvl = attitudinal adverbs, e.g. unfortunately, luckily, sadly
fctadvl = factive adverbs, e.g. certainly, definitely, indeed
lklydvl = likelihood adverbs, e.g. probably, possibly, perhaps
nonfadvl = non-factive adverbs, e.g. allegedly, reportedly
gen_emph = emphatic adverbs, e.g. just, really, actually
gen_hdg = hedge adverbs, e.g. maybe, kind of, sort of
pl_adv = place adverbs, e.g. here, there, nearby

L. Verb types
occurv = occurrence verbs, e.g. happen, occur, take place
prv_vb = private verbs, e.g. believe, feel, think, suppose
pub_vb = public verbs, e.g. say, report, claim, assert
sua_vb = suasive verbs, e.g. ask, insist, recommend, suggest
pro_do = verb 'do', e.g. do, does, did
act_ipv = activity intransitive phrasal verbs, e.g. go on, come back
act_tpv = activity transitive phrasal verbs, e.g. carry out, set up
aspectpv = aspectual phrasal verbs, e.g. start off, finish up
commvpv = communication phrasal verbs, e.g. point out, speak up
mentalpv = mental phrasal verbs, e.g. figure out, think over
copulapv = copular phrasal verbs, e.g. end up, turn out
occurpv = occurrence phrasal verbs, e.g. come about, break out

M. Clause types
nonf_vth = that-clause controlled by non-factive verb, e.g. say that..., report that..., claim that...
nfct_nth = that-clause controlled by non-factive noun, e.g. the report that..., the claim that...
att_vth = that-clause controlled by attitudinal verb, e.g. regret that..., prefer that..., hope that...
vcmp = that-clause complement controlled by verb, e.g. believe that..., think that..., know that...
mntl_vto = to-clause controlled by cognition verb, e.g. think to..., consider to..., know how to...
x1_jto = to-clause controlled by certainty adjective, e.g. certain to..., sure to...
x2_jto = to-clause controlled by ability/willingness adjective, e.g. able to..., willing to...
x3_jto = to-clause controlled by affect adjective, e.g. happy to..., eager to...
x4_jto = to-clause controlled by ease/difficulty adjective, e.g. easy to..., difficult to...
x5_jto = to-clause controlled by evaluative adjective, e.g. important to..., useful to...

N. Relative clause distinctions
rel_obj = relative clause with object gap, e.g. the book that I read
rel_subj = relative clause with subject gap, e.g. the book that is interesting
rel_pipe = relative clause with pied piping, e.g. the person to whom I spoke

O. Other syntactic features
finlprep = stranded preposition, e.g. the topic we talked about
spl_aux = split auxiliary construction, e.g. has always been, is often considered
that_del = that-deletion in complement clauses, e.g. I think he is right

P. Other functional features
contrac = contractions, e.g. don't, can't, it's
inf = infinitive verb, e.g. to go, to study
pres = present tense verbs, e.g. runs, speak, go
prtcle = discourse particles, e.g. now, well, anyway
sub_cos = causative subordinators, e.g. because, since, as
nonf_ing = non-finite -ing clause, e.g. Drawing on previous work..., Using corpus data..., Considering the evidence...
nonf_ed = non-finite -ed clause, e.g. Compared with earlier studies..., Based on these findings..., Taken together...
nonf_infcl = non-finite infinitival clause, e.g. To investigate this issue..., To determine whether..., To account for...
nonf_vless = verbless clause, e.g. Although difficult..., When necessary..., If possible...

Q. Derived (aggregate, sum) features
allmodal = all modal verbs (pos_mod, nec_mod), e.g. can, may, must, should
allconj = all conjunctions (o_and, p_and, sub_cnd, sub_othr, conjncts), e.g. and, but, if, although, however
allpasv = all passive constructions (agls_psv, by_pasv), e.g. is used, was observed, was carried out
allwh = all wh-structures (wh_ques, wh_cl), e.g. what, who, how, why
allwhrel = all wh-relative clauses (rel_obj, rel_subj, rel_pipe), e.g. the book that..., the person who..., the method by which...
alladj = all adjectives (adj_attr, pred_adj), e.g. large, important, different
allpro = all pronouns (pr01, pr02, pr03, pdem, pany, it), e.g. I, you, they, this, something, it
allverb = all lexical verbs (actv, commv, mentalv, causev, occurv, existv, aspectv), e.g. produce, report, think, occur, exist
all_vth = that-clauses controlled by verbs (nonf_vth, att_vth, fact_vth, lkly_vth), e.g. suggest that..., report that...
all_jth = that-clauses controlled by adjectives (att_jth, fact_jth, lkly_jth), e.g. it is clear that..., it is likely that...
all_nth = that-clauses controlled by nouns (nfct_nth, att_nth, fct_nth, lkly_nth), e.g. the fact that..., the idea that...
all_th = all that-clauses (all_vth, all_jth, all_nth), e.g. suggest that..., it is clear that..., the fact that...

all_vto = to-clauses controlled by verbs (spch_vto, mntl_vto, dsre_vto, efrt_vto, prob_vto), e.g. attempt to..., try to..., decide to...
 all_jto = to-clauses controlled by adjectives (x1_jto, x2_jto, x3_jto, x4_jto, x5_jto), e.g. it is easy to..., it is important to...
 all_to = all to-clauses (all_vto, all_jto), e.g. attempt to..., it is easy to...
 all_advl = all stance and degree adverbials (amplifr, downtone, atadvl, fctadvl, lklydvl, nonfadvl), e.g. completely, probably, unfortunately
